

Welcome to Cortex!

Thank you for visiting our 200-acre innovation district. The Visitor parking is highlighted in blue to help you easily find parking. There are specific Visitor spaces in front of the Cortex I building, around the @4240 building, and in the Cic@CET parking lot. You can also park in the IKEA parking lot, on the west end, in the area closest to Cic@CET. Street parking is available – some metered, some free – along Boyle Ave, Duncan Ave, and Forest Park Ave.

Only park in Visitor spots on the lots prior to 4pm each day. All other spaces are reserved for employees and residents in the district. After 4pm, all spaces in the lots at Cortex I and @4240 are open for visitors.
